Thanks Jesse,

Thanks for the reminder. I think at our meeting last month Lionel had suggested the second week of January for the call so that everybody had a chance to recover from the holidays. I plan to send out an invite for the 12th if that works.

Thanks.

Emmanuelle

Please: All data submittals to our office should be sent by email to datamanager@epa.gov with a copy to me (or your project manager in the Drinking Water Office). Data reports are due no later than the 10th of the month following the month that you receive results, or the 10th of the month following the compliance period, whichever comes first. Please include the whole lab report and copy of the Chain of Custody. Label with PWS name and number; & source or distribution system location codes or names for data collection points.

Afternoon Emmanuelle,

Please find the attached. The Final Report has a pretty good HAMP summary to-date.

Are there still going to be monthly EPA calls regarding Hopi? Tomorrow would be the first Thursday of the month, so in any case it may be good to let people know there won't be one. Brad Rea, Tim Bodell, and I are planning to meet with Ivan Sidney in Polacca tomorrow morning at 9AM.

Thanks,

Jesse

Afternoon Tim,

Brad Rea gave me your contact info. Please find the attached Final Report for the older IHS projects associated with the HAMP. It was just published a few days ago.

Thanks,

Jesse
